

*Trees for the Future*  
Presents This  
*Certificate of Tree Planting*

On behalf of  
*Reklamfritt.se*

*One thousand trees will be planted in your honor*

*This village project is being implemented to save the homes and way of life of people in a country devastated by deforestation and, increasingly, global climate change. This certifies the planting of one thousand trees. These fast-growing, permanent, beneficial trees will help to protect these fragile and eroded lands and assure that families can continue to live in dignity and in harmony with the natural resources of their lands.*

*January 4th, 2010*

A handwritten signature in black ink, appearing to read "Chris Decker", written over a horizontal line.
